I am to be absent from the city for the next fortnight. I shall esteem it a great favour if you will be able to do this.

My dear Chancellor Bowles:

I have to thank you very sincerely for the kind offer of Victoria College to assist us in the work of the Oriental Department or in German that has been occasioned by our present difficulties. I am greatly indebted to you for your offer and I hope that we may be able through our friends or possibly by means of an exchange to get our work done and tide over present difficulties.

President Falconer, LL.D., C.M.G.,
University of Toronto.

Dear Dr. Falconer,

Professor Wrong has, in reply to a request I sent him, intimated to me that Mr. Taft will take dinner with us at Burwash Hall on Wednesday, February 10th at 6.30. I will be very glad if you could come too. It is necessary to have the dinner early on account of the ^{it} lecture, and we are making ^{it} informal.

We purpose holding our Senior Dinner on the 5th of March. The dinner this year is given by our Faculty, to the graduating class in Arts, in Burwash Hall. We would like to arrange the date so that you and Mrs. Falconer could be with us, if possible. Would March 5th be a suitable date?

Yours sincerely,

W. P. Bowles

President Bowles,

Victoria College.

Dear President Bowles:

It will be a great pleasure for me to take dinner with you at Burwash Hall, Wednesday, February tenth at half past six, when Mr. Taft is to be with you.

The fifth of March will, I think, be free so that Mrs. Falconer and I shall be able to be with you on the occasion of the Senior Dinner. It is very kind of you to ask us again. What made me hesitate was that that was the day, as you may remember, we talked of for the meeting of the members of the staff of the University and Colleges. However, it might not materialise, and if that night suits you I will not take any further steps with regard to the gathering of the staff together on that date. With kind regards, I am,

Yours sincerely,

President.
